Kaliya u ogolaw carruurta dhinaca biyaha haddii lala jiro – carruurta yar waa in lagu hayaa meel ay gacantu gaareyso!

Weligaa biyaha ha galin haddii aad qamri cabsantahay ama daroogo! Weligaa haku dabaalan calool buuxdo iyo mid madhan.

Weligaa haku boodin biyaha haddii aad kulaato! – Jirkaaga wuxuu u baahanyahay waqti uu ku saxmo.

Ha quusin meel ciiro leh ama meelo aan lagaraneyn ee biyo ah! – Meesha aan lagaraneyn waxay noqon kartaa halis.

Sariirta neefaysan iyo gargaarka dabaasha haku isticmaalin biyaha qotada dheer! – Maku siinayaan wax badbaado ah.

Weligaa hadabaalan masafo dheer kaligaa! – Xitaa dabaal yahanka ugu wanaagsan wuxuu la kulmi karaa weerar tabar darro ah.
